Notes from the President:

"Winter has given us more snow than we have seen since the last century. But thankfully golf season will be soon upon us. Our Board has been busy preparing a golf agenda that will be both fun and challenging. We are holding our first meeting in March to reconnect and talk some golf. It is at a new day and place, so please see Local Chapter Information on this. I look forward to seeing you again this year and if you have suggestions for golf courses, social events, etc. please contact the Board or me. Have a great golfing 2008."
